

Do your hands give away your age?

Join us **Thursday, February 7th** for a live **Radiesse®** **Volumizing Filler Demo with Dr. Jennifer Uptis**

Medical Director at Oak Ridges Dermatology Centre
President Canadian Association of Aesthetic Medicine

Time: **6:00PM to 8:00PM** • Refreshments served • Enter to Win Treatments

Radiesse® is a facial filler that is also used on hands to replenish volume and minimize the appearance of veins and tendons. For an overall youthful look, the appearance of your hands are as important as your face.

The treatment is easy, quick, highly effective and delivers long-lasting results.
